Passport, Visa & Health Results

Summary

Conditional. The traveler will need to hold travel documents as detailed below.

Ukraine - Destination Health

This information is for guide purposes only. Other health organisations may recommend alternative precautions.

Vaccinations not required.

Singapore - Transit Visa

Visa required.

Transiting without a visa is possible for:

Nationals of Ukraine holding onward tickets for a max transit time of 96 hours under the Visa Free Transit Facility (VFTF). Leaving the transit area is allowed.

Additional information:

Hotel accommodation is available within the transit area of Singapore Changi Airport (SIN).

There are no international airside transfer facilities available between Singapore Changi (SIN) Terminals 1, 2 and 3 and the Budget Terminal. Passengers wishing to transfer between Terminals 1, 2 and 3 and the Budget Terminal must clear immigration, collect their baggage and clear customs before proceeding to the other terminal.

Singapore - Transit Health

This information is for guide purposes only. Other health organisations may recommend alternative precautions.

Passengers arriving within 6 days after leaving or transiting countries with risk of yellow fever transmission and not holding a yellow fever vaccination certificate are subject to medical screening upon arrival. Entry could be refused.

Turkey - Transit Health

This information is for guide purposes only. Other health organisations may recommend alternative precautions.

Vaccinations not required.
